

Copartnership Notice.
THE undersigned have this day formed a
Partnership under the firm of **Henry
& Borland.**
R. C. HENRY,
WM. P. BORLAND.
Warsaw, Mo. Oct. 9th, 1848.

To those most concerned.
ALL those indebted to me either by note
or account, would do well to come for-
ward and make immediate payment, as
money I must have from some source, and
none so honorable as the one I intend to
pursue. As but a short time can be allowed
to any, I would be pleased to have the un-
pleasant duty that I will have to perform
in case of failure. Call at the store of
Messrs. Henry & Borland, and you will
find me at all times.

NOTICE is hereby given that the City
Taxes for 1848, are now due and pay-
able. The Collector may be found at al-
most any hour of the day, looting about the

Almanacs! Almanacs!
R. D. JAYNE, would hereby inform
the public that he publishes annually for
gratuitous distribution, by himself and all
his Agents, an Almanac, entitled

**Jayne's Medical Almanac,
AND GUIDE TO HEALTH.**

The calculations for this Almanac are
made with great care and accuracy and for
five different Latitudes and Longitudes, so
as to make them equally useful as a Cal-
endar in every part of the United States
and British North America. They are
printed on good paper, and with handsome
new type, and are neatly bound, and be-
sides being the neatest and most accurate
Calendar printed in the United States, they
contain a large amount of valuable infor-
mation, suited to the wants of all, and of
that kind too, which cannot be found in
books.

HIS CATALOGUE OF DISEASES,
with remarks and directions for their re-
moval is really invaluable, and make them
welcome visitors in every house they en-
ter. Every family should possess at least
one of these Almanacs. His Almanac for
1849 is now ready for distribution, of which
he designs to publish at least *Two Millions*,
and in order that every family in the
United States and British America, may be
furnished with a copy, he hereby invites

MERCHANTS & STOREKEEPERS
to forward their orders to him as early as
possible and they shall be supplied GRAT-
UITOUSLY with as many copies as they
may deem necessary to supply their vari-
ous customers. They are also invited at
the same time, to send their "BUSINESS
CARD," which will be printed and placed
on the cover of the Almanacs sent them,
also without charge.

They are also requested to give all ne-
cessary directions how the Almanacs
should be forwarded to them. By law
they cannot be sent by mail unless the post-
age is first paid on them here.

Orders (post paid) directed to **DR. D.
JAYNE**, Philadelphia, will meet with
prompt attention.
FAMILIES can obtain these AL-
MANACS gratis of

R. C. HENRY,
Agent for the sale of Dr. Jayne's Cele-
brated Family Medicines.

**Jefferson City Steam
FERRY BOAT.**

THE subscriber would inform the pub-
lic that he has in successful operation
a splendid new Steam Ferry Boat, now
plying constantly between the wharf at
Jefferson City and the opposite shore. He
has procured good and substantial floats,
or landing points, and horses, wagons, &c.,
may at all times cross the river with ease
and security, and in the short time of two
minutes and a half.

The roads leading from Hannibal and
St. Charles, in the direction of Arkansas
and Texas, are now in excellent condi-
tion, and as the route by Jefferson City is
forty or fifty miles nearer than any other
the facilities of a good Steam Ferry Boat
at this point renders it the most desirable
for crossing the Missouri river.

There will be no detentions, and the ut-
most care will be taken to prevent any
accidents.
J. T. ROGERS.
Jefferson City, Oct. 21, 1848-82.

portions of the coun-
try. One third of
all the deaths during
that period will be
the result of these

forms of Diarrhea, Dysentery, Bloody

**DR. E. EASTERLY'S
Medicated Strengthening Plaster**

THIS plaster has been prepared under
the immediate eye and superintend-
ence of an old physician, who is a gradu-
ate of the University of Pennsylvania,
and has had extensive practice for more
than 30 years in treating the various dis-
eases incident to this country. He confi-
dently recommends this Plaster, from a
thorough knowledge of its virtues, to be
superior to every Plaster now in use. By
keeping up a gentle perspiration, it is ad-
mirably adapted for Pains or Weakness
in the Breast, Side, Back or Limbs; also,
for the Gout, Rheumatism, Enlargement
of the Spleen, Liver Complaint and Dys-
pepsia, and for Coughs, Colds, Asthma,
Difficulty of Breathing, Oppression of the
Stomach, &c. To all persons predisposed
to Consumption, or who are subject to vi-
olent coughs and colds, they are particu-
larly recommended—as they give almost im-
mediate relief, and for pleasantness, safety,
ease and certainty, they are decidedly
superior to most other remedies.
Persons afflicted with any of the above
diseases will find Dr. Easterly's Medicated
Strengthening Plaster much superior
to any other ever before offered to the pub-
lic. Physicians, druggists and dealers in
Medicines, will find it to their interest to
keep a supply of these valuable Plasters
on hand to accommodate their patients.
For sale, wholesale and retail, at the
Medical Depot of Dr. E. Easterly, south-
east corner of 3d and Chestnut streets, St.
Louis, Mo., and by agents throughout the
Western States. [ap25]

gists,—agents for Warsaw, Mo.

Complaint, Jaundice, Enlargement of
the Spleen, (called Ague Cake) and the
various forms of bilious diseases. These,

cause, are only modifications of the same
disease, and equally controlled by the
same remedy.

tricts of country, will not only find Dr.
Watson's Indian Vegetable Tonic a safe,
speedy and effectual cure, but an absolute

SMITH'S TONIC SYRUP
Or Vegetable Febrifuge.

A speedy, safe and certain cure for AGUE
& FEVER, Child-fever, Dumb-Ague,
Intermittent Fevers, and all the various
forms of Bilious diseases.

THIS valuable medicine is undoubtedly
the safest and surest remedy ever dis-
covered for the cure of the above named
diseases. It not only breaks the chill, but
removes the cause from which the disease
originates. Its operation is both general
and special. While it acts generally up-
on the whole system, as a most powerful
alterative, purifying the fluids, freeing the
solids from all morbid secretions, and re-
vigorating and bringing up all the vital
energies to a standard of permanent
health, it at the same time exerts a speci-
fic influence upon the liver, digestive or-
gans and lymphatic and glandular sys-
tems, exciting them to healthful activity,
removing all morbid matter, equalizing
the circulation, restoring their proper and
necessary secretions, thus accomplishing
a complete renovation from disease, and
restoration to sound and permanent health.

Those who are suffering with the pro-
strating AGUE & FEVERS common in
the West and South—those whose consti-
tutions have become enfeebled by the use
of mercury, quinine, or other violent me-
dicines, should resort at once to the use of
this VALUABLE MEDICINE.
It has cured and will cure the most ob-
stinate cases.

Traveling with the circulation it pours
its healing current through every vein and
artery of the human body. The whole
animal economy is made to undergo a thor-
ough radical change. Even the mind
partakes of the healthful process, and life,
that before appeared one dreary waste, be-
gins again to seem worth possessing.

Pamphlets respecting this Valuable
Medicine, can be obtained of the Agents
gratis.

CAUTION!
As there are many spurious preparations
of similar name hawked about the coun-
try, and sold on the reputation of the re-

public against imposition, as we cannot
hold ourselves responsible for the effect
which may result from the use of spurious
articles.

Motto—I am determined to sell lower than
any other house in the U. States.

TREMENDOUS EXCITEMENT!

Goods are rushing in by every packet!
The house is now filled! Three large sto-
ries crowded with goods! My stock this
fall will be tremendous large, by far ex-
ceeding any ever before received, and at
such low prices that will defy any and

ALL COMPETITION.

I am determined to supply every Coun-
try Merchant, and also all Retail custom-
ers that come to this market with the ready
cash. I have put the prices down so low
as to make it a matter of impossibility for
any house to offer the same inducements.
It must be apparent to every one that I can
do it—possessing the advantages that I do
—purchasing, manufacturing and selling
for nothing but Cash, or No. 1 City paper.

The tremendous amount of business I
do, will enable me to sell at a very small
profit, which I always have done, and will
continue to do. Residing in the City of
New York, and manufacturing my own
Goods, and having the advantages of the
market—my brother, CHARLES G.
MARTIN, conducting the business in St.
Louis—and the long experience I have
had in business the past sixteen years, en-
ables me to get up a stock in a far superi-
or style to any other.

My patterns are the best and most fash-
ionable that can be had, and are warrant-
ed to set and fit as well as those that can
be had at the most fashionable tailors.—
This fall I will have over

COUNTERFEITS.

The Great Remedy for Consumption of the
Lungs, Affections of the Liver, Bronchi-
tis, Asthma, Pain or Weakness of the
Breast or Lungs, Chronic Coughs, Pleu-
risy, Hemorrhages of the Lungs, and all
Affections of the Pulmonary organs.

NATURE'S OWN PRESCRIPTION.

—A compound balsamic preparation of
the Prunus Virginica, or Wild Cherry
Bark, combined with the extract of the tar,
prepared by a new chemical process, ap-
proved and recommended by the most dis-
tinguished physicians, and universally ac-
knowledge the most valuable medicines
ever discovered.

We do not wish to trifle with the lives
or health of the afflicted, and we sincerely
pledge ourselves to make no assertions
as to the virtues of this medicine, and to
hold out no hope to suffering humanity,
which facts will not warrant.

We ask the attention of the candid to a
few considerations. Nature, in every part
of her works, has left indelible marks of
adaptation and design.

The constitutions of the animals and the
vegetables of the torrid are such that they
could not endure the cold of the frigid
zone—vice versa.

In regard to disease and its cure, the a-
daptation is no less striking. The moss of
Iceland, the wild cherry and pine of all
northern latitudes, the Balsam is a chemi-
cal extract of these have long been cele-
brated for complaints prevalent only in
warm climates. Indeed the most distin-
guished men have averred that nature fur-
nishes in every country antidotes for its
own peculiar diseases.

Consumption, in its confirmed and in-
cipient stages, coughs, asthma, croup,
and liver complaint, form by far the most fatal
class of diseases known to our land.

Yet even these may be cured by means
of the simple yet powerful remedies which
are scattered wherever those maladies prevail.

Securely a mail arrives from any point
in the west, but that brings us news of the
most cheering character, which goes still
farther (if more evidence were necessary)
to establish the reputation of this great
remedy.

None can be genuine without the
names of Henry Wistar, M. D., and San-
ford & Park are found upon the wrapper.
No medicine called Syrup of Wild Cherry,
or Wild Cherry Bitters can be relied
upon. They may not be evil, but actually
injure the patient.

"DR. WISTAR'S BALSAM OF
WILD CHERRY" is the only remedy to
which invalids should resort for the cure
of pulmonary complaints.
